

# A Positive Vision FOR OUR SPOKANE VALLEY

*“My vision for the Spokane Valley differs immensely from our current council members Mr. Munson, Ms. Wilbite and Mr. Robertson. Now is the time for new leadership with the experience, integrity and sound judgment that Dean Grafos, Brenda Grassel, Bob McCaslin, Tom Towey and Gary Schimmels will bring to our Valley City Council. I trust their judgment and ask you join me with your vote.”*

*“Friends of the Spokane Valley, Positive Change Committee, and Disincorporation Now Supporters all have one thing in common ~ We Love Our Spokane Valley! Democrats, Republicans and Independents have joined together like never before to make Positive Changes! To experience bi-partisan support in this crucial election for our families and business owners is extraordinary. Dean, Brenda, Bob, Tom and Gary have my vote of confidence.”*

**Kay Wright McGlocklin**

*“Friends and families gave their time and hearts to the Disincorporation efforts in our Valley. It was not in vain ~ close to 17,000 of our citizens now know that together we can make a difference! Dean Grafos, Brenda Grassel, Bob McCaslin, Tom Towey and Gary Schimmels understand our concerns and are listening! Join with us in making Spokane Valley a place to be proud to do business.”*
